Could everyone who received a Blue Card Application for helping with kids please get the completed forms back to me at your next training session. It is important to keep this up to date yourself.

Then.....could you please start helping with the Junior Classes please.

Judo World Championships

The 2011 Judo World Championships are on this month in Paris. We have many nationalities who train at our club and you can all watch your fellow countrymen/women via the IJF Website live streaming , or, get results etc too. For all the information please go to the IJF Website (see link from the Lang Park Judo site) or follow the link www.ijf.org
The championships start 23/08/2011.

Great Comp for Beginners.....

The Y West is having their annual comp this month. It is a great comp for beginners as there are usually enough beginners in attendance to hold novice divisions. I would really recommend as many Juniors as possible attend this comp and have a red hot go at comp Judo. It is fun and the emphasis is on participation. Please see the flyer attached for more information.

Remember: you must be a member of the Judo Federation of Australia, Queensland to attend competition (do not confuse this with PCYC Lang Park membership – they are 2 seperate things!)

To Join the JFAQ

Go to the JFAQ website (and save it in your favourites) at www.jfaq.com.au then click on JOIN A CLUB, then click on JOIN JUDO QUEENSLAND and fill out the relevant information.

If you are a parent or carer joining your child, it would be great if you could join as a Volunteer Member at the same time. This way you will receive information etc while at the same time increasing the membership, strengthening the association of the great sport of Judo in Queensland.
