PCYC Membership and Training fees

To train at the Lang Park PCYC, you must be a CURRENT financial member of the Lang Park PCYC and you must pay to train every time you come to the club. Thanks to everyone who does the right thing.

To Join the JFAQ

Follow the link from the Lang Park website then click on JOIN A CLUB, then click on JOIN JUDO QUEENSLAND and fill out the relevant information.

If you are a parent or carer joining your child, it would be great if you could join as a Volunteer Member at the same time. This way you will receive information etc while at the same time increasing the membership, strengthening the association of the great sport of Judo in Queensland.

RECENT GRADINGS

Thanks to all who participated in our recent gradings. There were some well deserved belts presented to the following people – Jack and Abbey, Alexi, Jarvis, Joshua and Anar in the Juniors Class. Well done.

The Seniors also graded with the following people promoted – Adam, Myles, Armando, Daniel K, Daniel S, Duncan.

There were also 1st Kyu Brown Belts awarded to Caitlin, Dom and Gareth. Well done.

The Grading of the season goes to Danilel Wang 1st Kyu Brown, who completed most of the grading with a busted arm and still topped the scores. Like I said, I don't know if he is brave, tough or just plain stoopid!

#IF YOU HAVE NOT YET PAID FOR YOUR GRADING, PLEASE PAY AS SOON AS YOU SEE ME NEXT TIME.

RECENT STATE TITLES

The Lang Park Club was well represented in the Senior Mens divisions with several members walking away with Silver and Bronze medals in both Shia and Kata sections of the comp. Thanks again to Juan, Myles, Dom, Adam, Daniel K, Caitlin, Wangy, Heima, Armando and Oliver for doing your best as always. (apologies if I missed anybody)

PHOTOS ETC. FOR NEWSLETTER

I get the impression I am flogging a dead horse here, but, I will percerviere for the greater good.

There have been people taking piccies of their kids at comps, gradings and training and would like to include some of these in a newsletter. If you could email something to me that would be great.

Same for the Seniors.

#This is where a picture of you should be.....unfortunately to fill space I had to include this picture of Nenad from his acclaimed role as Al Jahira in the great film “Jewell of the Nile” where he starred alongside Michael Douglas and Kathleen Turner. Nenad can be heard muttering classics such as “tack, tack ,tack” and “lower!!!!” throughout the film. Get it on DVD.
